

Information to contact your legislators

The following is a list of Ohio State Parks with the corresponding state representatives and senators whose park is in their district.

If you would like to help prevent further serious cuts to services and programs at Ohio's award-winning parks, take a few minutes to contact the legislator in the district where the park is you enjoy visiting...or the senator or representative in the district where you live. Tell them what park(s) you have visited and that you don't want any further cutbacks in the park operations and services.

Phone numbers and some email addresses for Ohio's legislators are provided. To write your legislator(s), use the following addresses:

Letters to REPRESENTATIVES: (Representative's name), 77 South High Street, Columbus,OH 43215-6111
Letters to SENATORS: (Senator's name), Senate Building, Columbus, OH 43215

Whenever you contact your legislators, keep in mind...

- **Be sure to include your name and address. Anonymous mail (electronic or paper) is usually discarded.**
- **Mailed correspondence or personal phone calls usually receive more attention than emails.**
